

Imagining a Hub with the Capacity to End Hunger

A Message From our Chairs

True leadership requires action – setting an example to inspire others to come along on a journey. As our first and most loyal donors to the Feeding Tampa Bay Imagine Capital Campaign, we want to thank you for taking the bold action to give so selflessly and generously. Your leadership creates vital momentum toward our goal of raising nearly \$40 million to create a hub of potential for Tampa Bay.

Your passion, perspective and leadership are why our collective dream for a Hunger Free Tampa Bay will become a reality. Together, we will establish a community in which any individual or family can thrive to access to healthy food and/or the development of financial self-sufficiency.

We want to keep you closely updated on our progress through this exclusive capital donor newsletter. Thank you for your continued support of this worthy effort. You truly are the difference.

Breakfast will be served

Tues, Nov. 9 / 5:30-7:00 PM
Refreshments will be served

Weds, Nov. 10 / 8:30-10:00 AM
Breakfast will be served

Address: 3600 Causeway Blvd.,
Tampa, FL

RSVP

Our Funding Continues to Grow

GOAL
\$40,000,000

\$17,285,350

dollars committed to ending hunger to-date

We are excited for you to be among the first to see the new Feeding Tampa Bay property - our piece of the earth - upon which the future is built. When we first stood in front of a white board and dreamt of our new home, we developed a list of criteria required. Additionally, we created a list of items that would further enhance our decision. We agreed that if we found a piece of property that would meet 9-10 of these areas, we'd be in great shape. After all, we recognized that finding a significant parcel of property is difficult.

So, what happened? We found land that met 12 of our 13 criteria! How great is that? How likely is that? To say that we are grateful and excited is an understatement. Our foundation, upon which we'll build a hunger-free Tampa Bay, is now under our feet.
